

## EXPLORE SOUTHERN FRANCE

A **maximum** of 14 students will be allowed into the workshop. This is a mixed-media workshop, and Kathie will demo in watercolor and/or acrylic with occasional dabbings into collage and texture. We'll work both on location and in the studio.

**Our** days are relaxing and informative (with lots of good food and laughing in the mix). If you are a first-time plein air painter (and afraid) you'll find it painless! Advanced painters will discover new techniques, creative solutions with color & design and lots of inspiration. There will be demos, handouts and personal attention. Sharpen your observation skills, color awareness and learn simple design principles –whether you want to improve your skills, create a travel journal or take that next step as an artist, you'll come away excited and inspired about your artwork.

**The best** part is our camaraderie, learning from each other, sharing our adventures and painting incredible memories.
